Saltus Grammar School, Bermuda

The Martlet

The Saltus Philosophy

Every student is an individual with unique needs, capabilities, and desires.

As an integral part of the Bermuda community, Saltus Grammar School will encourage, reward, nurture, and challenge students to become productive and contributing members of, and active participants in, our very complex local and global society.

Our objective is to ensure that all students will be given every possible opportunity to develop their intellectual curiosity, physical well-being, moral values, self-esteem, artistic appreciation and expression and interpersonal skills.

HeadMaster's Address 2005

The following extract is taken from the Headmaster's address to the staff at the Annual Awards Dinner February 2005

I imagine that you have heard talk of the "Master Plan" for the school I know that I have used that expression on a number of occasions. Of course, master plans have two unhealthy characteristics. To begin with, the existence of a master plan produces alienation... After all, the very existence of a master plan means, by definition, that the members of the community can have little impact on the future shape of their community, because most of the important decisions have already been made. In a sense, under a master plan people are living with a frozen future, able to affect only relatively trivial details. When people lose the sense of responsibility for the environment they live in, and realize that they are merely cogs in someone else's machine, how can they feel any sense of identification with the community, or any sense of purpose there? I would ask therefore that you reflect on the careful wording for the current development in our school and in its culture. We have a Vision for the Future...

Why a vision? It has been said that:
The ultimate function of prophecy is not to tell the future, but to make it.
And of course, failing to plan is planning to fail...

What are the elements in the vision?

We have conducted a comprehensive review of all of our facilities such that a development and renovation plan can be readied for the short and the longer term to ensure that current facilities are made good. This is already well under way and though there is still much to be done, we have made significant inroads in this undertaking. Such development will continue for the longer term, I am sure.

We have embraced a restructuring of the school with the introduction of GCSE examination for the Senior 11 students and this has made possible the creation of a two year Graduate Year programme with a pre-AP and final AP year which will offer us the opportunity to raise the level of scholarship for our more senior students and thereby enhance and secure a programme that has served this school well for almost thirty years.

We have announced the establishing of a Foundation Year for our Cavendish entry in 2006 which, grounded as it is in sound international practice, will introduce our four year old students to the life of their school in a year that will build sound social skills and make possible a gradual integration into the life of school proper.

At the heart of the vision lies the single largest facilities development that has been undertaken by this or indeed any other private school on the island. Our new building, which is already rising from its foundation on the St. John's Road campus, will offer facilities for dance, for drama, additional changing facilities will augment the Haygarth Gymnasium; the structure will house a purpose built study and community space for our two year Graduate Year; it will provide new music facilities, both for classroom and instrumental music and it will make for the relocation of our IT systems hub and service facility; perhaps most engaging of all the upper floor will be a Centre for Learning in which activities designed to extend and support our students can be managed by our Learning Services staff. Our new building will allow us to reach out into the community and encourage other local organizations to make use of the space for their activities whether they be in the performance arts, in sport or whether they have Learning Difference as their focus.

We have already begun to reach out through our website, through the regular publication of the Saltus News and through regular parent teacher meetings in order that all shall come to know their school more fully.

Taken individually none of these elements will provide a common school culture. As a whole, however, as a whole-school directed pattern of activities overlaid as they are with Saltus' core values of teamwork, and the development of excellence and respect, we have established the foundations for a school environment which is second to none.

NJGK
July 2005

From the desk of The Deputy Headmaster:

There are many occasions during the course of a year when I am required to talk about Saltus to prospective parents and students, as well as to applicants for teaching positions and to visitors from schools and universities overseas. At those times, I describe an extremely busy school where dedicated staff and enthusiastic students work together to create an environment which affords all the opportunity to achieve their potential, academic and otherwise. The pages of this yearbook, as usual, clearly illustrate the truth of such a description. However, since some may feel that my glasses are more 'rose-coloured' than many, it is always comforting when the opinions of others – particularly of those with significant experience in the field of education – substantiate my own.

In October 2004, we were very fortunate to have Mr. George Ewonus, the Director of the Advanced Placement Program for Canada, spend some time at the school. His visit not only confirmed our commitment to AP as the best preparation for college and university, but also demonstrated the College Board's faith in Saltus as an AP school with the launch of the Bermuda National AP Scholar Award. Until then, only two countries had been accorded such an honour: the United States and Canada. It says much about the level of scholarship of our top students, as well as the success of our programme over the years, that the College Board would place Bermuda in such esteemed company. In order to qualify for this distinction, a student must pass at least five AP exams with the top grades of 5 or 4. Although at the time of writing the 2005 AP results are still pending, we are hopeful that Saltus will unveil Bermuda's first National AP Scholar in the very near future.

It would be easy, on an island in the Atlantic Ocean, to sit back and wallow in one's success, without reference to any external norms and standards. Therefore, to ensure that we continue to do the best for all constituents of our Saltus community, we have been discussing accreditation with the Canadian Educational Standards Institute for the past year or so as a means of benchmarking Saltus against comparable schools. To initiate the process, we were visited in May 2005 by a CESI team which included Mrs. Patricia Parisi, Principal of St. Clement's School in Toronto, Mr. Arthur Haberman, Board member of CESI and St. Clement's, as well as Professor of History at York University, and Mr. Jim Christopher, Executive Director of CESI. It was their task to get a feel for the school and to recommend to the full CESI Board whether Saltus should be approved to undertake full accreditation and review over the next few years. In late June, Mr. Christopher confirmed that we had indeed been approved and gave some insight into the report which was made to the CESI Board. "They commented," he wrote, "that they found a school with an excellent record of academic performance, a dedicated and hardworking administration, committed and positive faculty and staff, happy students, and graduates who are going on to take their place as responsible and successful members of society. They were very impressed with both the current operations of the school and your plans for the future." You will no doubt hear more about accreditation in the coming months as we embark upon this lengthy, but thoroughly worthwhile, venture.

The motto of the Canadian Educational Standards Institute is "Making Good Schools Better!" This is what we all want for Saltus and, working together, it is something that we will achieve.

SHOW

TALENT

MUSIC REPORT 2005

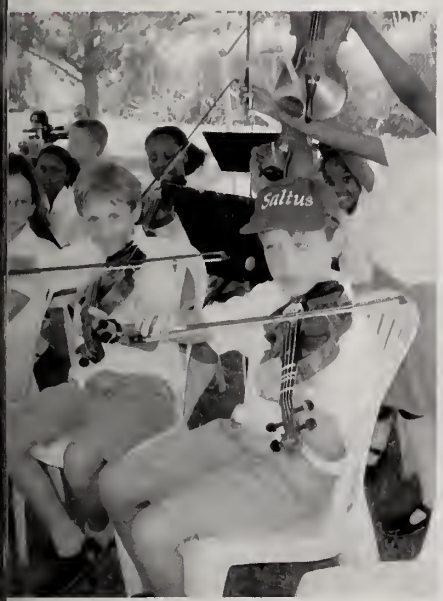

Once again it has been a very busy year for Saltus musicians. The Junior School has been involved in numerous community as well as in school events. The J6&7 Choir participated in an early Christmas shopping event at Trimingham's in November where they performed a full half hour of Christmas music. The Junior School also had a talent show in November in which students from years 4 through 7 shared their musical, dancing, and acting talents with the school. The J6&7 Choir and J7 Recorder Ensemble went to Windsor Place to perform Christmas music on December 13th.

All of the J4&5 students were involved in the Junior show, "Santa, You've Got Mail." This highly entertaining show featured different Christmas Celebrations from Chanukah to Kwanzaa. There never is a dull moment in December and the music department worked right until the very end of term, with the wind band and the J6&7 choir performing in "Carols For All."

The Junior wind band went to perform at Cavendish in the second term. The J4 & 5 Choir performed at the Agricultural Exhibition on April 21st. April was indeed a busy month as the following week J6 & 7 presented the show "De Vind in De Villows." This was a Bermudian version of the classic story "Toad of Toad Hall." I'll bet that the original toad didn't have nearly as much fun as our toad did dancing on a bike to "Born to be Wild." The Three Department concert on May 10th included performances by the J4 & 5 Recorders, J7 Recorder Ensemble, J4 & 5 Choir, Orchestra, and the Wind Band. This year the concert was particularly memorable as it was held in Victoria Park. Students had fun with balloons, face painting, food, and great music. It certainly is a delight to watch the progression of musicians through our school!

June was also a busy month. The orchestra performed at the P3 afternoon on June 16th and again at the open house on the 23rd. Children from each year group performed for the open house with the J4's playing a xylophone and recorder piece, J5's playing a xylophone piece, J6's on the ukulele, and J7's performing a percussion piece. The end of year concert was held on the field this year and featured all Junior ensembles as well as J7 soloists. We were pleased to have the whole Junior School as well as the P3's and some parents at the concert. The whole Junior School sang a cute song called "Thanks, Mom" for the class Mother's Assembly on the last week of school. The Junior Wind Band was kept busy until the last day of term as they performed at prize giving for a very appreciative audience. Rachel Doughty was the recipient of the music scholarship this year and she gave a heart-warming performance of the song "On Eagle's Wings". The Junior School musicians should be proud of their accomplishments and their dedication to music. With the continued support of a wonderful staff, parents and students, a love for music will continue to flourish at Saltus Junior School.

Front Street Mile – January 2005

6 Girls Qualified: Rachel Barnes (8), Sara Schroder (9), Emily Chadderton (13), Jennifer Anstee (15), Rachel Fox (16), Sophie Adams (18).

6 Boys Qualified: Peter Merritt (3), Jalen Trott (9), Scott Sims (10), Brighton Swan (13), Daniel Andrade (14), Adlai Teye-Botchway (19).

Running

Another great year for Junior athletes with many splendid performances in numerous events.

In the Front Street Mile held in January six boys and six girls qualified for this prestigious event, a very creditable achievement considering that only twenty runners per race can qualify from all primary schools.

Girls Results: Rachel Barnes (8), Sara Schroder (9), Emily Chadderton (13), Jennifer Anstee (15), Rachel Fox (16), Sophie Adams (18).

Boys Results: Peter Merritt (3), Jalen Trott (9), Scott Sims (10), Brighton Swan (13), Daniel Andrade (14), Adlai Teye-Botchway (19).

The Inter-School Cross Country Championships followed in February. Runners from all primary schools competed over 1.25 mile course through the Arboretum, starting and finishing at the Nation Sports Centre. Once again, as in previous years, all teams finished in the top 5, with the best performance coming from the Over 9 Boys who just missed out winning the Championship for a record fifth year in a row by just 3 points.

Results

U9 Boys – 3rd (Julien Papadopoulos 13th)

U9 Girls – 3rd (Sierra Fisher 11th)

O9 Boys – 2nd (Brighton Swan 3rd, Eric LaVigne 4th)

O9 girls – 4th (Rachel Fox 9th)

Fourteen students qualified in the Zone Sports for the Track & Field finals at the National Sports Centre. All athletes performed well, especially cricket ball throwers Bradley Scarcliffe, Jonathan Marion and Eric LaVigne. High Jumper, Peter Merritt taking gold, and strong running performances from Juliana Franco, Sara Schroder and Rachel Fox. The Under 10 Girls and Under 10 Boys relays teams placed 4th and 3rd respectively in the finals.

Finally, congratulations to all participants in numerous road running events.

Field Hockey

In a new Inter-School Competition, which was well supported, the boys placed second and the girls very proudly paraded the new championship trophy back to school.

Swimming

A strong swim team this year regained the trophy from Warwick Academy. The boys team placed first with the girls second, giving Saltus the overall team trophy.

Soccer

The Nine-a-Side team had mixed fortunes this season but nonetheless had an enjoyable season.

In the Inter-School Six-a-Side Competition the B Team qualified for the finals and went on to capture the trophy, remaining undefeated.

Results:

Boys "B" Team won B Division

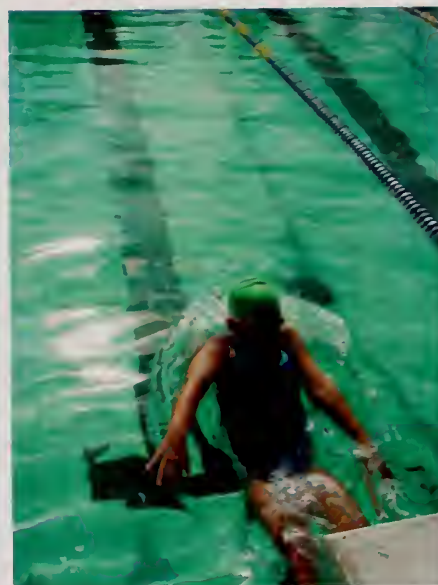

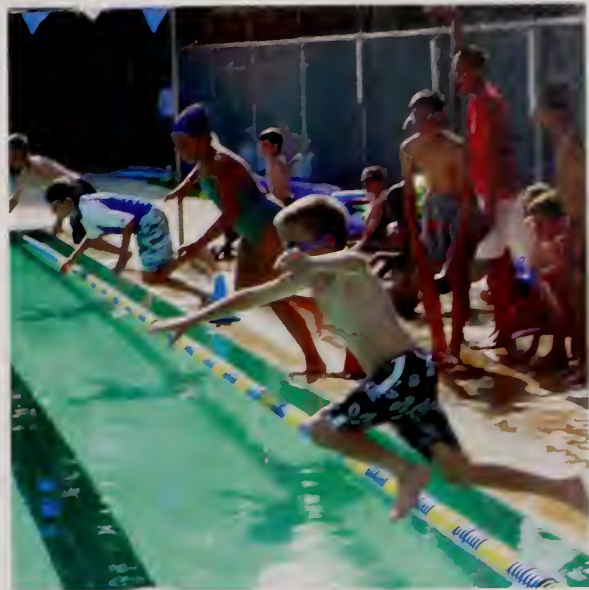

Won - 7•Lost - 0•Goal for - 18•Goals Against - 0

Team Members: Nicholas Kiki-Charles, Zack Burrows, Mark Godfrey, Bradley Scarcliffe, Adlai Teye-Botchway, Jordan Amaral, Luigi Cacace

EVERYDAY LIFE 3

A look into
the future...

4's of next
year...Let's watch this
pace and see what
happens...

A FINAL WORD FROM THE JUNIOR SCHOOL...

There are many people who helped us throughout the year, and the Junior Department would like to thank you all.

Likewise, due to digital photography, there are an increasing number of contributors to the pictures you see in this section and I would like to thank them for their expertise. I must especially thank Cynthia Barnes for her archival material without which much would pass unrecorded.

Two members of staff are leaving the department this year. Catherine McMahon has been at Saltus for three years and is leaving to teach business studies at B.H.S. Katie Davis has been at Saltus for two years and is leaving to continue her studies at Harvard. The department would like to thank them both for their varied contributions and wish them well in the future.

It has been another busy year at Saltus as this book testifies. Mr. Allen, supported by his team of student helpers continues his work in the gardens with Willy Loman type zeal and a yet to be identified lost member of staff was discovered in a staffroom cupboard. (All we know at the moment is that it is somebody's mummy!)

Peter Le Page
(Junior Yearbook Editor)

Rag Week 2005

Students Have Raised Over \$18,000 for Tsunami Victims in 3 Weeks!

From January 10th to 14th, students in the Senior Department had a week of grub days (@ \$5.00 per day) and each day students were to dress in the colours of a flag of a country devastated by these waves (i.e., Monday - Indonesia, Tuesday - Sri Lanka, Wednesday - India, Thursday - Thailand, and Friday - Somalia). Congratulations to the students in the Senior Department as just over \$12,100 was collected during their week of Grub Days! An impressive amount by any standards. These funds will help alleviate the suffering of those affected. ZBM-TV News sent a reporter to the School to interview representatives from all three Departments.

Young Enterprise

Young Enterprise is a program used for helping students in 10/S4 understand the basic concepts in running a business, including teamwork, management, and co-operation. The three Young Enterprise (YEP) teams in the Senior Department -- "Ingenuity Enterprises", "Epic Enterprise" and "Fresh Creations" -- wish to thank all those who purchased their wares at the YEP 'Trade Fair' in December. The groups each sold their own unique products. They also did a number of activities throughout the year, including ice cream sales at school, car washes, and trash-a-thons. All three groups had a very successful turnout at the end of the year and we are very proud of them all.

Senior School having fun!

"Living on Earth is expensive,
but it does include a free trip
around the sun!"

Holland, Milan
Vall-Burgess, Tse
Minors, Vanessa Kent,
Mr. Herman-Smith
Coach), (Front Row L
to R) Brittany Farias,
Francesca Cacace,
Katherine Moore,
Brittany Uddin and
Goalkeeper Angela
Dunstan.

Swifts 12th season proved to be quite eventful as Bermuda Hockey Finally moved on to the artificial surface at the National Stadium. The club played a total of 36 league matches between November and May. The young A team captained by Jennifer Beech did well to compete with the senior clubs whilst the B team led by Brittany Farias finished third in their league and won the B league Cup at the end of the season beating league champions Swallows 2-0 in the final.

AUTOGRAPHS

Nicole Mathias

Yearbook Coordinator 2001-2005

My role as coordinator of The Martlet comes to a close this year. I have learned much over these years, especially as we implemented the changes enabling us to create the book electronically. Each year has been filled with new ideas and many challenges.

I would like to express my gratitude to Peter LePage and Amanda Petty for continuing to build the Cavendish and Junior sections of the book. In addition, Cynthia Barnes must be praised for sharing every event in digital format with the yearbook staff. The students who have become an integral part of the exhausting task of compiling and editing the yearbook are Alison Begeman and Adam Kiki-Charles. I would especially like to thank Alison for spending so many summer hours working on this book!

Finally, I formally pass the baton to my yearbook partner, Fiona Murdoch. Fiona has spent many hours slaving away on pages and pictures. I cannot thank her enough for working through her maternity leaves, summers, and weekends.

I wish the Martlet Staff of 2005 – 2006 much success.

Mrs. Nicole M. Mathias

Summer of Construction...
